1. My my, at Waterloo, Napoleon did surrender.
          C       D              G   F      G               a
    Oh yeah, and I have met my destiny in quite a similar way.
                                        D7                 G - G7
    The history book on the shelf, is always repeating itself.

 C                              F
Waterloo - I was defeated, you won the war,
 G                                C           - G
Waterloo - promise to love you forever more.
 C                               F
Waterloo - Couldn't escape if I wanted to,
 G                                C
Waterloo - knowing my fate is to be with you,
                      G                            C
Wow, wow, wow, wow, Waterloo - finally facing my Waterloo.

        C      D                G        F          G
2. My my, I tried to hold you back but you were stronger.
         C         D               G    F       G             a
    Oh yeah, and now it seems my only hope is giving up the fight.
                                       D7                     G  - G7
    And how could I ever refuse, I feel like I win when I lose.
