I dont wanna lose - AKAROCK

I dont wanna loose

over the hills
and a far away
go to school
and go my lovely way
and I see a man
with a masked head
with a gun and
with black clothes

I am a hero
of our time
I am not looser
and that you know
with a charm
and without gun
I dont wanna loose

Im folowing that bad guy
without weapon
and without spry
he goes to the shop
he equips gun
I am scarred
I wont to hide
I HAVE TO RUN AWAY NOW!!!!!!!!!!!!!!!!!!!!!!!!!!

I am a hero
of our time
I am no looser
and that you know
with a charm
and without gun
I dont wanna loose
I dont wanna loose

over the hills
and a far away
go to school
and go my way
and I see a man
with a masked head
with a gun and
with black clothes
