Every little thing - Beatles

```
G                  Ami7 D7
When I'm walking beside her
G                  C
people tell me I'm lucky
Ami7             D7    G
yes I know I'm a lucky guy.
I remember the first time
I was lonely without her
yes I'm thinking about her now.
G                      F
Every little thing she does
             G
she does for me yeah
                             F
and you know the things she does
             G
she does for me oh.
When I'm with her I'm happy
just to know that she loves me
yes I know that she loves me now.
There is one thing I'm sure of
I will love her forever
for I know love will never die.
Every little thing she does
she does for me yeah
and you know the things she does
she does for me oh.
Every little thing she does
she does for me yeah
and you know the things she does
she does for me oh.
Ami7         F                   G
Every little thing, every little thing ...
```
