My happy ending - Avril Lavigne

Let's talk this over
It's not like were dead
Was it something I did
Was it something you said?

Don't leave me hangin'
In a city so dead
Held up so high
On such a breakable thread

Pre-chorus
You were all the things I thought I knew
And I thought we could be

Chorus
You were everything, everything
That I wanted
we were meant to be, sopposed to be
But we lost it
All of our memories so close to me
Just fade away
All this time you were pretending
So much for my happy ending
So much for my happy ending

You've got your dumb friends
I know what they say
They tell you I'm dificult
But they don't know me
Do they even know you?
All the things you hide from me
All the shit that you do

Pre-chorus

Chorus

It's nice to know that you were there
Thanks for me acting like you care
And making me feel like I was the only one
It's nice to know we had it all
Thanks for watching as I fall
And letting me know we were done

Chorus (2*)

So much for my happy ending
So much for my happy ending
