   Emi                       C      F    G
   I never needed anybody's help in any way
                                    Hmi
   but now these days are gone I'm not so self assured
    Emi                                 C      F       G
   now I find I've changed my mind I've opened up the doors.

R: Help me if you can I'm feeling down
