```
1.
C               G                       Ami
Remember whan I cried to you a thousand times
           F                      C
I told you everything you know my feelings
                    G                          Ami
it never crossed my mind that there would be a time
              F                  C
for us to say goodbye what a big surprise
            G            Ami            F
but I'm not lost I´m not gone I haven´t forgot

refren:
      C
These feelings I can't shake no more
      G
These feelings are running out the door
  Ami                              F
I can feel it falling down and I´m not coming back around
      C
These feelings I can’t take no more
     G
This emptiness in the bottom drawer

Amit's getting harder to pretend
    F                                C, G, Ami, F
and I'm not coming back around again
             C, G, Ami, F
