# Cottonfields Back Home - Leadbeller Huddie

```
           G
/: When I was a pretty little baby
                C               G
my mamma would rock me in the craddle
             (D)               D(G C G)
in them old cottonfields back home. :/

                 C
R: And when the cotton-balls get rotten
            G
   you can pick very much cotton
                                   D
   in them old cottonfields back home
           G
   it was down in Louisiana
                  C              G
   just about the mile from Texarcana
                D                 G  C G
   in them old cottonfields back home .

/: I was born in Arkansas
when the people asked me: what you're coming for
in them old cottonfields back home. :/

R: And when the ...

/: Well it might sound a little bit funny
but you don't make very much money
in them old cottonfields back home. :/

R: And when the

When I was a pretty little baby...
