Enchanter - Elizaveta

```
Ami
Enchanters!
             C
The time has come to be alive
         F
With the Circle of Magi
        G
We will thrive with our brothers

Ami
Enchanters remind
     C
That time cannot unwind
    F                 G
The dragon's crooked spine
           Ami
Will never straighten into line

Ami
What our plea, will be
  C
A faithful end decree
        F
Where a man will not retreat
           G
From the defeat of his fathers

Ami
Enchanters!
           C
A time has come for battle lines
        F                 G
We will cut these knotted ties
             Ami
And some may live and some may die

Ami
Enchanter, come to me
C
Enchanter, come to me
G
Enchanter, come to see
G
Can-a you, can-a you come to see?

Ami
As you once were blind
       C
In the light now you can sing
       F                 G
In our strength we can rely
       Ami
And history will not repeat
