# Don't Stop Being Crazy - Helloween

You're the one I would pick out in a million
You're the one I would wish for as the friend of my life (life)(life)
If the whole world decided for a colour
Would pixels be any different in you (you)(you)

Brave and smart against the rules
You smile upon the fools
I'll follow where you go
I want you to know

Don't stop being crazy
Wherever you go
Don't stop being crazy
It's a lie
It's a lie
It's a lie we could not learn to fly
Oh no
Don't stop being crazy

When you walk you walk higher than the others
When you talk you talk merciless the bothering truth (truth)(truth)
Everyone seems remote-controlled nowadays
Only you have a frequency far beyond their ways (ways)(ways)

Still that strong you walk alone
Don't wonder where they're gone
I'll follow where you go
I want you to know

Don't stop being crazy
Wherever you go
Don't stop being crazy
It's a lie
It's a lie
It's a lie we could not learn to fly
Oh no
Don't stop being crazy (crazy)

Still that strong you walk alone
Don't wonder where they're gone
I'll follow where you go
I want you to know

Don't stop being crazy
Wherever you go
Don't stop being crazy
It's a lie
It's a lie
It's a lie we could not learn to fly
Oh no
Don't stop being crazy
