Take this job and shove it - Johnny Paycheck

```
Ref.: Take this job and shove it
Bb                  F
I ain't working here no more
F                   Dm                  G             C
Woman done left and took all the reasons i was working for
F                                                   Bb              F
You better not to try to stand in my way as i'm a-walking out the door
Bb                  F          C                    F
Take this job and shove it i ain't working here no more.

   F                                 Bb                    F
1. I've been working in this factory  for nigh on fifteen years
Bb                                F                    C
All this time i watched my woman drowning in a pool oF tears
     F                                  Bb                    F
And i've seen a lot oF good folk die who had a lot oF bills to pay
Bb                       F              C                    F   Bb F
I'd give the shirt right ofF oF my back iF i had the guts to say

Ref.: Take this job and shove it
Bb                  F
I ain't working here no more
F                   Dm                  G             C
Woman done left and took all the reasons i was working for
F                                                   Bb              F
You better not to try to stand in my way as i'm a-walking out the door
Bb                  F          C                    F
Take this job and shove it i ain't working here no more.

   F                                          Bb               F
2. Well that foreman he's a regular doG the line boss he's a fool
Bb                 F             C
Got a brand new flattop haircut lord he thinks he's cool
F                                                   Bb               F
One oF these days i'm gonna blow my top and that sucker he's gonna pay
Bb                   F                      C                G
Lord i can't wait to see their faces when i get the nerve to say...

Ref.: Take this job and shove it
Bb                  F
I ain't working here no more
F                   Dm                  G             C
Woman done left and took all the reasons i was working for
F                                                   Bb              F
You better not to try to stand in my way as i'm a-walking out the door
Bb                  F          C                    F
Take this job and shove it i ain't working here no more.
