You're A Creep - Langerová, Aneta

I know it's really late but
I had to call you
Something that I've gotta say
Saw you at the movies
with your new trophy
I can't believe it's been just a day

Since we were holding each other now
I know
You're a creep
And I wish that I'd never met you
You're a creep
Just a scurvy little dog in the street
You're a creep

I know it sounds crazy,
but I thought that maybe
All we needed was time
But seems you recovered with new lover
Cuz everything we had was a lie
You said you'd die without me,
but you're still alive

You're a creep
And I wish that I'd never met you
You're a creep
Just a a scurvy little dog in the street
You're a creep
You're a creep

Can't believe that I gaye you
the best of me
But, baby, now it's your turn to hurt

I know it's really late
but I should be going
But I just wanted to say
you're a creep
