The Scientist - Coldplay

```
| Dsus2 |
INTRO:
                | G
         | Bm7
                       | D
                        | D
                               | Dsus2 |
                                                               Dsus2
         come up to meet you, tell you i'm sorry, you don't know how lovely you are
V1:
         i had to find you, tell you i need you, tell you i'll set you apart
         tell me your secrets and ask me your questions, oh lets go back to the start
         running in circles, coming in tales, heads are a science apart
                                          Dsus2
C1:
         nobody said it was easy, it's such a shame for us to part
                                Dsus2
         nobody said it was easy, no-one ever said it would be this hard
         oh take me back to the start
LINK 1:
               | G
                       | D
                       , .
| D
                | G
                                | Dsus2 |
         l Bm7
         i was just guessing in numbers and figures, pulling the puzzles apart
V2:
         questions of science, science and progress, do not speak as loud as my heart
                                                  Dsus2
         tell me you love me, come back and haunt me, oh and i rush to the start
                                 D Dsus2
         running in circles, chasing our tales, coming back as we are
        G
                                             Dsus2
C2:
         nobody said it was easy, oh it's such a shame for us to part
                            D
                                          Dsus2
         nobody said it was easy, no-one ever said it would be so hard
         oh take me back to the start
