Love Of My Love - Queen

```
Love of my life you've hurt me                  A/F+mi
You've broken my heart and now you leave me     Hmi/E
Love of my life can't you see                   A/A7/D
Bring it back bring it back                     Hmi/F+mi
Don't take it away from me                      G/D/G/D/Hmi/Emi
Because you don't know                          A/D
What it means to me

Love of my life don't leave me
You've taken my love you now desert me
Love of my life can't you see
Bring it back bring it back
Don't take it away from me
Because you don't know
What it means to me

You will remember                               Hmi
When this is blown over                         F+mi
And everything's all by the way                 G/D
When I grow older                               Hmi
I will be there at your side to remind you      F+mi/H/Cdim/H
How I still love you I still love you           Emi/A

Back hurry back
Please bring it back home to me
Because you don't know
What it means to me
Love of my life
Love of my life
Yeah
