Bm   A                E
High, higher than the sun
                    Bm
You shoot me from a gun
A            E     Bm
I need you to elevate me here
  A         E
Corner of your lips
                      Bm     A
Is the orbit of your hips  Eclipse
    E          Bm
You elevate my soul
     A            E
I've got no self-control
                    Bm
Been living like a mole now
A          E
Going down excavation
Bm         A          E
Higher now in the sky
                           Bm
You make me feel like I can fly
  A       E
So high Elevation

E                A                                            E                         D
