Perfect Day - Roxette

```
   F                  Bb     F
Breathe some faith into my chest.
 Bb             Dm       C
Lay me down, I need the rest.
F                Bb         F
Ever since the sky turned grey
      Bb             Dm      C
I've waited for the perfect day.
 Gm                      C       Gm                  C
Hey now, it seems you've always touched me like the sun.

[Chorus]
         Bb                 C     F
There's no escape for the broken-hearted,
        Bb              C                F
There's no return once you've lost your way.
Bb        C                      Dm
I say a prayer now our love's departed
      Bb                   C
That you'll come back to stay
               Bb
And bring the perfect day.

[Verse 2]
   F           Bb   F
Blinded by a crazy light
   Bb          Dm        C
I fell into the darkest night.
   F           Bb   F
Those magic ties, the two of us,
   Bb              Dm      C
I couldn't see it turn to dust
 Gm                      C       Gm                  C
Hey now, it seems you've always reached me like the sun.

[Chorus]
         Bb                 C     F
There's no escape for the broken-hearted,
        Bb              C                F
There's no return once you've lost your way.

I say a prayer now our love's departed

That you'll come back to stay

Bring back the perfect day.
