Spending my time - Roxette

```
           F#mi
What's the time?
           D5           E
Seems it's already morning.
          F#mi
I see the sky,
        D5              Esus4 E
it's so beautiful and blue
         F#mi
The tv's on,
        D5          E                      B  Bmi
but the only thing showing is a picture of you

         F#mi     D5                 E
Oh I get up and make myself some coffee.
         F#mi        D5                   Esus4 E
I try to read a book but the story's to thin
            F#mi
I thank the lord above
     D5                 E
that you're not here to see me in the
          B Bmi
shape I'm in

feeling so small
              A
I stare at the wall

hoping that you think of me too,

I'm spending my time

         F#mi       D5                 E
I try to call but I don't know what to tell you.
          F#mi         D5            Esus4 E
I leave a kiss on your answering machine
           F#mi
Oh help me please,
         D5              E
is there someone who can make me
                  B    Bmi
wake up from this dream?

I fall asleep to the sound

a prayer gone blind.

 My friends keep telling me:

Hey life will go on,
F#mi A                E
time will make sure I'll get over you.
