My Life Has Been Saved - Queen

This is where we are today, people going separate ways
This is the way things are now, in disarray
I read it in the papers, there's death on every page
Oh Lord I thank the Lord above, my life has been saved
Yeah yeah yeah

Here we go
Tellin' lies

Here we go (here we go)
We're right back were we started from,
people going separate ways
This is the way things are now, in disarray - hey
I read it in the papers, there's death on every page oh
Oh Lord I thank You from above, my life has been saved

My life, my life has been saved
My life, my life, my life has been saved
