Gollum's Song - Lord of the Rings

```
G#mi
     Where once was light
Bmi
     Now darkness falls
Cmi
     Where once was love
D
     Love is no more
B/Eb                     Bmi/D
     Don't say goodbye
Cmi                      D
     Don't say I didn't try

Gmi
     These tears we cry
Bmi
     Are falling rain
Gmi
     For all the lies you told us
Bmi
     The hurt, the blame!
Cmi                      D
     And we will weep to be so alone
          Cmi/Eb                  D
     We are lost,  we can never go   home

G#mi
     So in the end
          Bmi
     I'll be what I will be
Cm
     No loyal friend
          D
     Was ever there for me
B/Eb                     Bmi/D
     Now we say goodbye
Cmi                      D
     We say you didn't try

Gmi
     These tears you cry
Bmi
     Have come too late
Gmi
     Take back the lies
Bmi
     The hurt, the blame!
Cmi                                D
     And you will weep, When you face the end alone
          Cmi/Eb                  D
     You are lost,   You can never go   home
          Cmi                      D
     You are lost,   You can never go   home
