Oh Janet /Luke Kadlec/
--------

G / Asus/ Cmaj7 /G

Asus   Cmaj7
 Oh    Janet
                        G    Asus
You´re not the same at all
   Cmaj7
Oh Janet
                              G
You changed in many ways for sure
Emi            Fmaj7            Bmi7
You used to be fair and you was true
   A7     C (stoptime)       G
Oh Janet, I think that´s not you...

Oh Janet
where did your smile had go
Oh Janet
don´t hide the tears that don´t show
Maybe we´re older and we´re grown
Oh Janet, please don´t leave me alone

      D        A              Emi         C / G
        How many dreams are now lost
      D        A              Emi         C / E
        How many rivers must be crossed
      E           H7                  F#
        It´s just a phaze you´re going through?
      Asus                            E       C / D / G
        I thought I never get tired of you

Oh Janet
i thought you´re clear like a pearl
Oh Janet
but you´re fake like any other girl
You staring at me with your tearful eyes
Oh Janet, You used to be so nice
