Wonderful Time - The Vipers

that would be happy christmas
happy christmas with snow
happy christmas with us
a day for peace and love

we wish you a day for everybody
if you understand
without fights and lonely
moments

i say happy, happy, happy christmas
ohohoh
i say happy, happy, happy christmas
ohohoh

Don´t be afraid
dark is not forever
don´t be afraid
there is a wonderful time

I saw a falling comet
don´t say it wasn´t magic
today in christmas time
I will hope for more beautiful nights

i say happy, happy, happy christmas
ohohoh
i say happy, happy, happy christmas
ohohoh

Don´t be afraid
dark is not forever
don´t be afraid
there is a wonderful time
