O-h, Alabama, the devil fools with the best laid plans.
F G Emi7
Swing low Alabama
F D
You got the spare change, you got to feel strange
E F G
And now the moment is all that it meant.

Ami7
R1: Alabama, you got the weight on your shoulders
C D
That's breaking your back.
Ami7
Your cadillac has got a wheel in the ditch
C D
And a wheel on the track

F G Emi7 F G F C
Oh, Alabama, Banjos playing through the broken glass
F G Emi7
Windows down in Alabama.
F D
See the old folks tied in white ropes
E F G
Hear the banjo; don't it take you down home?

R1: Alabama ... wheel on the track

F G Emi7 F G F C
Oh, Alabama, can I see you and shake your hand.
F G Emi7
Make friends down in Alabama.
F D
I'm from a new land I come to you and
E F G
see all this ruin. What are you doin'?

Ami7
R2: Alabama, you got the rest of the Union
C D
to help you along
Ami7 F G Emi7
What's goin' wrong?
