Old man lying by the side of the road
         000560
with the lorries rolling by,
000780 (nebo 020030)
blue moon sinking from the weight of the load
       x88760              577555
and the buildings scrape the sky.
000230
Cold wind rippin' down the alley at dawn
        000560
and the mornin' paper flies,
000780
dead man lying by the side of the road
        x88760            577555
with the daylight in his eyes

Blind man running through the light of the night
with an answer in his hand.
Come on down to the river of sight
and you can really understand.
Red lights flashing through the window in the rain,
can you hear the sirens moan
White cane lying in the gutter in the lane
if you're walking home alone
