Listen to Your Heart - Roxette

Hmi G A Hmi
I know there's something in the wake of your smile.
Hmi G A Hmi
I get a notion from the look in your eyes, yea.
Hmi G A Hmi
You've built a love but that love falls apart.
Hmi G Emi
Your little piece of heaven turns too dark.
Hmi G D Hmi
Listen to your heart when he's calling for you.
Hmi G D Hmi
Listen to your heart there's nothing else you can do.
D A G Hmi
I don't know where you're going and I don't know why,
Hmi G A Hmi
but listen to your heart before you tell him goodbye.

Sometimes you wonder if this fight is worthwhile.
The precious moments are all lost in the tide, yea.
They're swept away and nothing is what it seems,
the feeling of belonging to your dreams.

Listen to your heart when he's calling for you.
Listen to your heart there's nothing else you can do.
I don't know where you're going and I don't know why,
but listen to your heart before you tell him goodbye.

E
And there are voices that want to be heard.
C#mi
So much to mention but you can't find the words.
H A (C#mi)
The scent of magic, the beauty that's been
H G#
when love was wilder than the wind.
D#mi
Listen to your heart when he's calling for you.
Listen to your heart there's nothing else you can do.
I don't know where you're going and I don't know why,
but listen to your heart before you tell him goodbye.
