

Untitled - Simple Plan

Ami
I open my eyes
C
I try to see but I'm blinded by the white light
Ami
I can't remember how
I can't remember why
C G
I'm lying here tonight
F G
And I can't stand the pain
Ami C
And I can't make it go away
F G
No I can't stand the pain
C
How could this happen to me
Ami
I've made my mistakes
F
I've got no where to run
G
The night goes on
C
As I'm fading away
Ami
I'm sick of this life
F
I just wanna scream
G C
How could this happen to me
Ami
Everybody's screaming
C
I try to make a sound but no one hears me
Ami
I'm slipping off the edge
I'm hanging by a thread
C G
I wanna start this over again
F G Ami C
So I try to hold onto a time when nothing mattered
F G
And I can't explain what happened
Am C F
And I can't erase the things that I've done
G
No I can't
C
How could this happen to me
Ami
I've made my mistakes

I've got no where to run
The night goes on
As I'm fading away
I'm sick of this life
I just wanna scream
How could this happen to me

(solo)

I've made my mistakes
I've got no where to run
The night goes on
As I'm fading away
I'm sick of this life
I just wanna scream
How could this happen to me
