

Love You 'Til The End - 2 až 3

INTRO: B E B E

B
I just want to see you
E
When you're all alone
B E
I just want to catch you if I can
F#
I just want to be there
E B
When the morning light explodes
F#
On your face it radiates
E
I can't escape
B E B E
I love you 'till the end

I just want to tell you nothing
You don't want to hear
All I want is for you to say
Why don't you just take me
Where I've never been before
I know you want to hear me
Catch my breath
I love you 'till the end

I just want to be there
When we're caught in the rain
I just want to see you laugh not cry
I just want to feel you
When the night puts on its cloak
I'm lost for words don't tell me
All I can say
I love you 'till the end
