## One Of Us - ABBA

```
G              Gmaj7 Bmi                    Emi Emi7
They passed me by, all of those great romances
C           G             D        C        D
You were, I felt, robbing me of my rightful chances
G          Gmaj7    Bmi                   Emi Emi7
My picture clear, everything seemed so easy
C        Bmi
And so I dealt you the blow
       Emi
One of us had to go
Ami                  C/G           D7/F#
Now it's different, I want you to know

G
One of us is crying
       G/F#  Emi
One of us is lying
       Emi7    C     E7   Ami
In her lonely bed
C6/G           D
Staring at the ceiling
C               D7                 G G/F# Emi Emi7  C D7
Wishing she was somewhere else instead
             G
One of us is lonely
       G/F#  Emi
One of us is only
        Emi7   C     E7   Ami
Waiting for a call
             A7            G
Sorry for herself, feeling stupid feeling small
D7(sus)                       D7
Wishing she had never left at all

I saw myself as a concealed attraction
I felt you kept me away from the heat and the action
Just like a child, stubborn and misconceiving
That's how I started the show
One of us had to go
Now I've changed and I want you to know

One of us is crying
One of us is lying
In her lonely bed
Staring at the ceiling
Wishing she was somewhere else instead
One of us is lonely
One of us is only
Waiting for a call
Sorry for herself, feeling stupid feeling small
Wishing she had never left at all
Never left at all

Staring at the ceiling
Wishing she was somewhere else instead
One of us is lonely
One of us is only
Waiting for a call
