Sorry for herself, feeling stupid feeling small

Wishing she had never left at all

I saw myself as a concealed attraction  
I felt you kept me away from the heat and the action  
Just like a child, stubborn and misconceiving  
That's how I started the show  
One of us had to go  
Now I've changed and I want you to know

One of us is crying  
One of us is lying  
In her lonely bed  
Staring at the ceiling  
Wishing she was somewhere else instead  
One of us is lonely  
One of us is only  
Waiting for a call  
Sorry for herself, feeling stupid feeling small  
Wishing she had never left at all  
Never left at all

Staring at the ceiling  
Wishing she was somewhere else instead  
One of us is lonely  
One of us is only  
Waiting for a call
