## Rolling in the deep - Adele

```
Cmi                 Gmi
  There's a fire starting in my heart,
 Bb                                Gmi                      Bb
Reaching a fever pitch and it's bringing me out the dark
 Cmi               Gmi
Finally, I can see you crystal clear.
Bb                            Gmi                   Bb
Go ahead and sell me out and I'll lay your ship bare.
 Cmi                      Gmi
See how I leave, with every piece of you
 Bb                        Gmi                Bb
Don't underestimate the things that I will do.
 Cmi                 Gmi
There's a fire starting in my heart,
 Bb                                Gmi                  Bb
Reaching a fever pitch and it's bringing me out the dark

Ab                   Bb                 Gmi
 The scars of your love, remind me of us.
                 Ab
 They keep me thinking that we almost had it all
                    Bb                    Gmi
The scars of your love, they leave me breathless
               G
I can't help feeling...

                      Cmi    Bb
We could have had it all... (I wish you, never had met me)...
                 Ab
Rolling in the Deep (Tears are gonna fall, rolling in the deep)
              Bb                       Cmi              Bb
Your had my heart... (I wish you)... Inside of your hand (Never had met me)
           Ab                                                    Bb
And you played it... (Tears are gonna fall)... To the beat (Rolling in the deep)

Cmi                 Gmi
  Baby I have no story to be told,
          Bb                               Gmi                  Bb
But I've heard one of you and I'm gonna make your head burn.
Cmi                   Gmi
Think of me in the depths of your despair.
 Bb                            Gmi                      Bb
Making a home down there, as mine sure won't be shared.

Ab                   Bb                 Gmi
 The scars of your love, remind me of us.
                 Ab
 They keep me thinking that we almost had it all
                    Bb                    Gmi
The scars of your love, they leave me breathless
               G
I can't help feeling...
