You'd know how time flies
Only yesterday
was the time of our lives
We were born and raised
In a summer haze
Bound by the surprise of our glory days

EI hate to turn up out of the F#miblue uninvited Dbut
I couldn't stay away I couldn't fight it
I'd Ehooped you'd see my face
And F#mithat you'd be reminded that for Dme it isn't Dmajover D

ENothing compares no worries or cares
F#miRegrets and mistakes their memories make
D Who would have known how
Bitter-Bmisweet C#mithis would Dtaste

Never mind I'll find someone like you
I wish nothing but the best for you too
Don't forget me I beg I re-member you said
Sometimes it lasts in love but sometimes it hurts in-stead
