

Lies - Alphaville

G D Emi
Baby Baby -- what do I do? Playing my tune for you, playing my tune
C
for you, just to get you in the mood
G D
Everybody's going to Hollywood, you're driving me mad, but I'm smiling
Emi
to the crowd instead
C G
A lot of money is at stake, this is hit and that's a fake
D Emi
This is what you mean to me, this is what they all should see, make a
make-up in a foolish style
C7 G
Telling the truth by making a big? lie when I come, I come but
nothing's at ease
D Emi
Breaking up the whole is a modern disease, maybe you think tomorrow's
just a joke
C7
It's a joke after joke after joke after joke
Ref.:
G D Emi
My love, everything's an interview and nothing's really new and
C7
everybody's looking for clues
G
And you know what to do with a clue my love
D Emi
I get ready for the show, they're waiting and they will never go
C G D, Emi
This night is just to go-o-o-o, and it's only for show
C
G D
Dig that deal and be a millionaire, drinking cocktails in the
Emi
stratosphere
C7
Getting jetlagged with my business-friends in these supersonic wonderlands
G D
There's a shadow on the graphic display, first he's smiling then he's
Emi
fading away
C7
Maybe he thinks tomorrow's just a joke, it's a joke after joke after joke
after joke
