Ayayaj Ayayaj

I won't claim it's all cause of you
I guess that I played a part
It's just that I never knew
I'd fall for you from the start
There's a hole in my heart and a picture in a frame
Driving me insane
But the wind and the land and the fire and the rain
Always stay the same
Ayayaj
Wanna roll with the wind
Bringing distance to everything
Ayayaj wohoow Ayayaj
Wanna sit by the fire
And glance at the pouring rain
Ayayaj Ayayaj

C#m A
I would never blame you for the heartache
B Abm
I would never blame you for the tears
C#m
I blame my stubborn heart, soul, body
A B
Every single thing around me stays the same
Abm C#m
No matter what

Ayayaj
While I roll with the wind

Bringing distance to everything
Ayayaj whooow Ayayaj
While I sit by the fire
And glance at the pouring rain
Ayayaj Ayayaj Ayayaj
While I roll with the wind
Bringing distance to everything
Ayayaj whooow Ayayaj
While I sit by the fire
And glance at the pouring rain
