Mnnn C'est si bon

  Lovers say that in France
Am7          D7        Gm7      Gm7/D
  When they thrill to romance

  Nothing else can replace
Am7           D7     Gm7      Gm7/D
  Just your slyest embrace
C7               Adim7     D7
 And if you only would
       Gm    Bbmin7             Am7
Be all my own for the rest of my days

I will whisper this phrase

Mi'darlin C'est si bon!
