

Come By the Hills - Asonance

1. Oh come by the hills to the land where fancy is free
stand where the peat meats the sky and the lochs meats the sea
where the rivers run clear and the bracken is gold in the sun
and the cares of tomorrow can wait till this day is done.
2. Oh come by the hills to the land where life is a song
sing where the birds fill the air with their joy all day long
where the trees blow in time and caressing wind is in June
and the cares of tomorrow can wait till this day is done.
3. Oh come by the hills to the land where legend remains
where stories of old fill the heart, soon they yet come again
when our past it is lost but our future is still to be one
and the cares of tomorrow can wait till this day is done.
