

The curse - Audioslave

E A E
Help me I don't know what I'm doing

E A E
help me before I fall to ruin

H A E
and if I'm blind, I will lead you on

H A C#mi H7 A
come follow me now, before our time is gone

A C#mi
And as you're laughing at this fool tonight
C A C E
let me rid myself of any line that I might use to trip you up
E C#mi C
and as I'm howling at the moonlight, don't you kid yourself
H7
I will be your luck
A E A E
and never be your curse...
E A E
never be your curse

E A E
Help me I don't know what I'm saying
E A E
sometimes this tongue can be betraying
H A E
and if I'm wrong, is that such a crime?
H A C#mi H7 A
And if you want, you can set my words to right

A C#mi
So as you're laughing at this fool tonight
C A C E
let me rid myself of any line that I might use to trip you up
E C#mi C
as I'm howling at the moonlight, don't you kid yourself
H7
I will be your luck

F# A E
And if your eyes forget to well
F# A E
and if your lies forget to tell
H A C#mi
and if our paths forget to cross
H7 C#mi...
it doesn't mean you're lost...
