  Hush hush, Hush hush
Verse 1

C                           Emi                          C
  I didn't mean to kiss you, you didn't mean to fall in love
                              Emi                                  F
  I never meant to hurt you, you never meant for it to mean this much
          G
Hush hush now
Verse 2

C                       Emi
  I wanted to keep you, forever next to me
C                        Emi                       F
You know that I still do and all I wanted was to believe
           G
Hush hush now
Chorus 1

F                    G                        C
  So go on live your life, so go on say goodbye
                                     F                             G
So many questions but I don't ask why,so this time I won't even try

           C  Emi               C      Emi
Hush hush now, mmh, hush hush now
Verse 3

C                          Emi                      C
  When I try to forget you I just keep on remembering
                         Emi                    F
What we had was so true, somehow we lost everything
           G
Hush hush now
Chorus 2

F                    G                        C
  So go on live your life, so go on say goodbye
                                   F                                 G
So many questions but I don't ask why maybe someday but not tonight
            C
Hush hush now

Bridge

F                                Ami
Don't don't don't you ever say a word, word
                                 C
Of what you ever thought you heard, heard
                        Emi
Don't you ever tell a soul but you know
     F                              Ami
know I tried to hide but I still believe
```

```
                                C
We that we were always meant to be, be
                          Emi  F               G
And I can't ever let you go, no, hush, hush now
Chorus 3

F                    G                        C
  So go on live your life, so go on say goodbye
                                   F
So many questions but I don't ask why
F                    G                        C
  So go on live your life, so go on say goodbye
                                   F
So many questions but I don't ask why
                             G
maybe someday but not tonight
            C Emi
Hush hush now
