

Losing Grip - Avril Lavigne

Are you aware of what you make me feel, baby

Right now I feel invisible to you, like I'm not real
Didn't you feel me lock my arms around you
Why'd you turn away?
Here's what I have to say I was left to cry there,
waiting outside there grinning with a lost stare
That's when I decided
refrém:

Why should I care
Cuz you weren't there when I was scared I was so alone
You, you need to listen I'm starting to trip,
I'm losing my grip and I'm in this thing alone

Am I just some chick you place beside you to take somebody's place
when you turn around can you recognize my face you used to love me,
you used to hug me
But that wasn't the case
Everything wasn't ok I was left to cry there
waiting outside there grinning with a lost stare
That's when I decided
refrém:

Crying out loud I'm crying out loud
Crying out loud I'm crying out loud

Open your eyes
Open up wide
Why should I care
Cuz you weren't there
when I was scared I was so alone Why should I care
Cuz you weren't there when I was scared I was so alone
Why should I care
If you don't care then I don't care were not going nowhere
Why should I care cuz you weren't there when I was scared I was so alone
Why should I care If you don't care then i don't care were not going nowhere
