Unwanted - Avril Lavigne

All that I did was walk over
Start off by shaking your hands
That's how it went
I had a smile on my face and I sat up straight
Oh, yeah, yeah
I wanted to know you
I wanted to show you
refrém:

Don't ignore me
You don't want me there
You just shut me out
You don't know me
Don't ignore me
If you had your way
You'd just shut me up
Make me go away

No, I just don't understand why
you won't talk to me
It's hurts that I'm so unwanted for nothing
Don't talk words against me
I wanted to know you
I wanted to show you

refrém: Make me go away

I tried to belong
It didn't seem wrong
My head aches
Its been so long
I'll write this song
If that's what it take
refrém:

Make me go away
Make me go away
