

When your gone - Avril Lavigne

When your gone

I always needed time on my own
I never thought I'd, need you there when I cried
And the days feel like years when I'm alone
And the bed where you lie is made up on your side
When you walk away I count the steps that you take
Do you see how much I need you right now

When you're gone the pieces of my heart are missing you
When you're gone the face I came to know is missing too
When you're gone the words I need to hear
to always get me through the day

And make it OK

I miss you

I've never felt this way before
Everything that I do, reminds me of you
And the clothes you wore, they lie on the floor
And they smell just like you, I love the things that you do
When you walk away I count the steps that you take
Do you see how much I need you right now

When you're gone the pieces of my heart are missing you
When you're gone the face I came to know is missing too
When you're gone the words I need to hear
to always get me through the day

And make it OK

I miss you

We were made for each other
Out here forever
I know we were

Yeah, yeah

All I ever wanted was for you to know
Everything I do give my heart and soul
I can hardly breathe I need to feel you here with me

When you're gone the pieces of my heart are missing you
When you're gone the face I came to know is missing too
When you're gone the words I need to hear
to always get me through the day

And make it OK

I miss you
