nothing's gonna change my world. :]

2. Images of broken light
which dance before me like a million eyes
that call me on and on
across the universe.

3. Thoughts meander like a restless
wind inside a letter box
they tumble blindly as they make
their way across the universe.

*: Sounds of laughter shades on earth
are ringing through my open views
inciting and inviting me.

4. Limitless undying love
which shines around me like a million eyes
it calls me on and on
across the universe.
