Baby it's you - Beatles

```
G           Emi
Sha lalalalala ...
C
It's not the way you smile
                G
that touched my heart
C
it's not the way you kiss
            G
that tears apart.
        Emi
But how many many many nights go by
Ami                                  G             Emi
I sit alone at home and I cry over you, what can I do
C            D                     G
can't help myself cause baby it's you
Emi       G
baby it's you.
You should hear what they say about you cheat cheat
they say they say you never never ever been true.
Oh it doesn't matter what they say
I know I'm gonna love you any old way
what can I do and it's true
don't want nobody nobody cause baby it's you
baby it's you.
Oh it doesn't matter what they say
I know I'm gonna love you any old way
what can I do and it's true
don't want nobody nobody cause baby it's you
baby it's you
don't leave me all alone.
