I could nee another kind of life there.

Oh then I suddenly see you  
oh did I tell you I need you  
C Ami7 D7 G  
every single day of my life?  
You didn't run you didn't lie  
you knew I wanted just to hold you  
and had you gone you knew in time  
we'd meet again for I'd have told you.  
Oh you were meant to be near me  
oh and I want you to hear me  
say we'll be together every day  
G C D7 G  
got to get you into my life !  
What can I do what can I be  
when I'm with you I want to stay there  
if I'm true I'll never leave  
and if I do I know the way there.  
Oh then I suddenly see you  
oh did I tell you I need you  
every single day of my life  
got to get you into my life  
got to get you into my life!  
I was alone I look a ride  
I didn't know what I would find there  
another road where maybe  
I could nee another kind of life there.
