

Hello little girl - Beatles

C D7 G
Hello little girl
hello little girl
hello little girl!

G C D7
When I see you everyday I say

C D7 G
hello little girl

C D7
when you're passing on your way I say

C D7 G
hello little girl.

If I see you passing by I cry
hello little girl
when I try to catch your eye I cry
hello little girl.

G Emi C D7
I send you flowers but you don't care

G Emi C D7
you never seem to see me standing there

G Emi C D7
I often wonder what you're thinking of

G Emi Ami G D7
I hope it's me love love love.

So I hope there'll come a day when you'll say
you're my little girl.

So I hope there'll come a day when you'll say
you're my little girl
you're my little girl
you're my little girl
you're my little girl.
