Helter skelter - Beatles

```
       A7                                                D
When I got to the bottom I go back to the top of the slide
                                          F
where I stop and I turn and I go for a ride
                                           C
till I get to the bottom and I see you again.
A7
Do you don't you want me to love you
I'm coming down fast but I'm miles above you
                                 C
tell me tell me tell me come on tell me the answer
    E7                               A
you may be a lover but you ain't no dancer.
D              A              D             A
Helter skelter helter skelter helter skelter.
Will you won't you want me to make you
I'm coming down fast but don't let me break you
tell me tell me tell me the answer
you may be a lover but you ain't no dancer.
Look out helter skelter helter skelter helter skelter.
Look out cause here she comes.
When I got to the bottom I go back to the top of the slide
where I stop and I turn and I go for a ride
till I get to the bottom and I see you again.
Well do you don't you want me to make you
I'm coming down fast but don't let me break you
tell me tell me tell me the answer
you may be a lover but you ain't no dancer.
Look out helter skelter helter skelter helter skelter
look out helter skelter
she's coming down fast
yes she is, yes she is.
