I'll cry instead - Beatles

```
          G    C         G     C     G  C G C
I've got every reason on earth to be mad
      G         C        G    C      D7
cause I've just lost the only girl I had
     C7
if I could get my way
I'd get myself locked up today
      G          D7     G   C G C
but I can't so I cry instead .
I've got a chip on my shoulder that's bigger than my feet
I can't talk to people that I meet
if I could see you now
I'd try to make you say it somehow
but I can't so I cry instead.
G             Hmi
Don't want to cry when there's people there
      A
I get shy when they start to stars
    D
I'm gonna hide myself away
    Emi             A        D7
but I'll come back again someday.
And when I do you'd better hide all the girls
I'm gonna break their hearts all yround the world
yes I'm gonna break them in two
and show you what your loving man can do
until then I'll cry instead.
Don't want to cry when there's people there
I get shy when they start to stars
I'm gonna hide myself away
but I'll come back again someday.
And when I do you'd better hide all the girls
I'm gonna break their hearts all yround the world
yes I'm gonna break them in two
and show you what your loving man can do
until then I'll cry instead.
