

I Saw Her Standing There - Beatles

Well she was just seventeen, if you know what I mean,
And the way she looked was way beyond compare,
So how could I dance with another, when I saw her standing there.
Well she looked at me, and I, I could see,
That before too long I'd fall in love with her.
She wouldn't dance with another, when I saw her standing there.
Well my heart went boom when I crossed that room,
And I held her hand in mine...
Well we danced through the night, and we held each other tight,
And before too long I fell in love with her.
Now I'll never dance with another, since I saw her standing there.
Instrumental same as verse
Well my heart went boom when I crossed that room,
And I held her hand in mine...
Well we danced through the night, and we held each other tight,
And before too long I fell in love with her.
Now I'll never dance with another, since I saw her standing there.
Since I saw her standing there.
Since I saw her standing there.
