I will - Beatles

```
C7  F         Dmi       Gmi
Who knows how long I've loved you
C7  F      Dmi      Ami
you know I love you still
F7     Bb     C7     Dmi
will I wait a lonely lifetime
F      Bb      C7   F  Dmi  Gmi
if you want me to I wil   l.
For if I ever saw you
I didn't catch your name
but it never really mattered
I will always feel the same.  F7
Bb         Ami   Dmi
Love you forever and forever
Gmi           C7     F    Fb
love you with all my heart
Bb          Ami   Dmi
love you whenever we're together
G7                  C7
love you when we're apart.
And when at last I find you
your song will fill the air
sing it loud so I can hear you
make it easy to be near you
for the things you do endear you to me
you know I will, I will.
