If I Fell - Beatles

```
      D#mi                              D
If I fell in love with you would you promise to be true
     C#            Bbmi
and help me understand
             D#mi                       D
'cause I've been in love before and I found that love was more
      Emi7         A
than just holding hands
      D    Emi F#mi  Fdim Emi7   A7
if I give my  heart to    you I must be sure
          D Emi F#mi  Fdim Emi7       A7                D Gmi A7
from the very start that   you would love me more than her
       D   Emi F#mi  Fdim Emi7        A7
if I trust in  you   oh please don't run and hide
      D   Emi  F#mi  Fdim Emi7        A7                 D9
if I love you too    oh please don't hurt my pride like her
                               G
[: 'cause I couldn't stand the pain
       Gmi                    D               A7
   and I would be sad if our new love was in vain
         D   Emi  F#mi Fdim Emi7     A7
   so I hope you see that   I would love to love you
   D     Emi  F#mi Fdim  Emi7     A7                D9(D)
   and that she   will cry when she learns we are two :]
      Gmi              D  Gmi D
if I fell in love with you ...
```
