you're coming home you're coming home.
Every night the tears come down from my eyes
every day I've done nothing but cry.
It won't be long ...
Since you left me I'm so alone
now you're coming you're coming on home
I'll be good like I know I should
you're coming home you're coming home.
Every day we'll be happy I know
now I know that you won't leave me no more.
It won't be long ...
