```
       C7
Little child little child
                       F          C7
little child won't you dance with me
G7             F
I'm so sad and lonely
D7                      G7
baby take a chance with me.
Little child ...
       C                        G7
If you want someone to make you feel so fine
           C
then we'll have some fun when you're mine all mine
        D7              G7
so come on come on come on.
Little child ...
When you're by my side you're the only one
don't you run and hide just come on come on
so come on come on come on.
Little child little child
little child won't you dance with me
I'm so sad and lonely
D7          G7          C
baby take a chance with me
   A7   D7          G7          C
