This happened once before
when I came to your door no reply
they said it wasn't you
but I saw you peep through your window
I saw the light, I saw the light.
I know that you saw me
cause I looked up to see your face
I tried to telephone
they said you were not home that's a lie
cause I know where you've been
I saw you walk in your door
I nearly died, I nearly died.
Cause you walked hand in hand
with another man in my place
if I were you I'd realize that I
love you more than any other guy
and I'll forgive the lies that I
heard before when you gave me no reply.
I tried to telephone
they said you were not home that's a lie
cause I know where you've been
I saw you walk in your door
I nearly died, I nearly died.
Cause you walked hand in hand
with another man in my place
